

**PUBLIC NOTICE
FOR IMMEDIATE RELEASE**

SWIFT COUNTY

2026 SPRING ROAD RESTRICTIONS

Seasonal/Spring load restrictions on County roads in Swift County will **BEGIN** Friday, March 6th, 2026.

Axle limit signs will be revised throughout the County advising vehicles of permitted axle weights – with the following exceptions: County UNPAVED-GRAVEL roads are limited to a 5-ton per axle load limitation by State Law and are not physically posted. Additionally, all unposted PAVED roads have a 10-ton per axle load rating, and are not Spring Restricted. 7-ton & 9-ton paved roads will be posted.

Questions may be directed to the Swift County Highway Department at: 320-842-5251, or a map can be found at:

www.swiftcounty.gov

Questions regarding State Highways should be directed to MnDOT at: 1-800-723-6543.
